Quality/Testing

Each aspect of these milestone deliverables was rigorously checked for quality:

- **Graphics and Social Media Posts:** Graphics and social media posts were reviewed for accuracy, consistency to Brand handbook
- **Internal Communication:** Internal communication processes were tested within Hub and Intersect to ensure that all team members had access to the necessary information, and updates were shared effectively. Feedback loops were established to quickly identify and address any issues during the milestone's execution.

Communication

The North American Community Hub is excited to announce the successful completion of Milestone 3, the final milestone in our mission to engage and empower the Cardano community across North America.

Milestone Acceptance Form Guidance:

Accepted By - this should be the person responsible for completing the Quality or Testing review, the person of suitable expertise to attest that the milestone has been completed. It should not be a person from the delivering organization.

Communication - the cardano ecosystem thrives due to open participation and membership. Intersect will announce deliverables and celebrate the success of its partners. Please provide a few words on how we can best articulate and share this milestone being completed.
